# ملف الشركة Pre Qualification

for Metal Formation and لتشكيــل المعــادن والصناعات Metal Industries

مصنع سامي أبو حجــاب Sami Abu Hijab Factory المعدنية

# من نحن.. ABOUT US

Smafic metal forming and metallurgical industries factory located in the kingdom of Saudi Arabia was established in the Asir area of Khamis Mushait city and is one of the Sami Abu hijab group for industries and contracting.

Since the moment of its establishment, it has followed the path of Discrimination and perfection where it has become an integrated factory of production lines for various metal forming and manufacturing services to meet needs and achieve ambitions.

Based on the vision of creativity and excellence, we were keen to select metals with durability, strength and high efficiency, with the skills of our engineers to work, and the technical staff to implement, we guarantee its continuity for the long term.

تأسس مصنع سمافيك لتشكيل المعادن والصناعات المعدنية الكائن في المملكة العربية السعودية في منطقة عسير بمدينة خميس مشيـط وهي إحدى العلامات التجارية التابعة لمجموعة سامى أبو حجاب للصناعة والمقاولات.

منذ لحظة تأسيسه سلك طريق التميز والإتقان حيث أصبح مصنع متكامل من خطوط الإنتاج لمختلـف خدمـات تشكيـل وتصنيع المعــادن لتلبية الاحتياجــات وتحقيق الطموحات.

انطلاقاً من رؤية الإبداع والتميز حرصنا على انتقاء المعادن ذات المتانة والقوة والكفاءة العالية. وبمهـارة مهندسينا على العمـل، والكوادر الفنية للتنفيذ نضمـن استمراريتها للمدى البعيد.

# **DID WE START?**

## من أين بدأنا؟

#### Aseer..

Asir region is one of the regions of the Kingdom of Saudi Arabia and is in the southwest of it. It has an area of 81,000 km², a population of 2,261,618 people (2018 AD), and it's the capital of Asir.

The reason for naming Asir by this name is due to the hardness of its land, where there are many high mountains, sprawling sides, interspersed with valleys and reefs with rugged paths.

The temperature varies in height, distance, and proximity to the Hijaz Mountain range, and the annual average temperature ranges from 20 to 24 degrees Celsius, while the rains are often summer, and their annual average ranges from 120 to 350 mm.

#### عسير..

منطقة عسير هي إحدى مناطق المملكة العربية السعودية وتقع في الجنوب (الغربي منها. تبلغ مساحتها  $\Lambda$ ,۰۰۰ ميلغ عدد السكان  $\Lambda$ ( $\Gamma$ , $\Gamma$ , $\Gamma$ ) نسمة ( $\Gamma$ , $\Gamma$ ) وعاصمتها ومقر الإمارة فيها مدينة أبها.

سبب تسمية عسير بهذا الاسم لعسرة أرضها حيث تكثر فيها الجبال شاهقة الارتفاع، مترامية الأطراف تتخللها أودية وشعاب وعرة المسالك.

تتفاوت درجة الحرارة للارتفاع أو البعد والقرب من سلسلة جبال الحجاز، ويتراوح المتوسط السنوي لدرجة الحرارة من ٢٠ إلى ٢٤ درجة مئوية، أما الأمطار صيفية غالباً ويتراوح متوسطها السنوي من ١٢٠ إلى ٣٥٠ ملم.

# VISION & MISSION

## الرؤية والرسالة..

#### **Our vision..**

When we believe in ourselves, we can create, so our vision is centered on creating a surge of creativity and excellence, keeping abreast of everything new globally, and using the latest technologies and devices to apply and discrimination

#### رۇيتنا..

عندما نؤمن بأنفسنا، يمكننا أن نبدع لذا تتمحور رؤيتنا حول إحداث طفرة من الإبـداع والتميــز و مواكبة كـل ما هو جديـد عـالمـياً والاستعــانة بأحـدث التقنيـات والأجهزة لتطبيقها والتميز بها.

#### Our message..

Using our deep knowledge and creative thinking to provide innovative and professional solutions to ensure the completion of the required work and enhance trust and good reputation with our customers.

#### رسالتنا..

استغلال معرفتنا العميقة وتفكيرنا الإبداعي في تقديم حلول مبتكرة ومهنية لضمان إنجاز العمل المطلوب وتعزيز الثقة والسمعة الحسنة مع عملائنا

#### Our goals..

become a part of every home and company, to make a difference ,add beauty and safety at every stage of life.we are committed to improving comfort and beauty, as well as making it easier for our customers to live happily in aesthetic surroundings.

#### أهدافنا..

هدفنا هو أن نصبح جزءًا من كل منزل وشركة ، لإحداث فرق و إضافة الجمال والأمان في كل مرحلة من مراحل الحياة فنحن ملتزمون بتحسين الراحة والجمال ، فضلاً عن تسهيل العيش بسعادة لعملائنا في محيط جمالي

#### **Our values..**

Our commitment to moving forward and building a trusted relationship is the key to our success so quality and time commitment are principles we have agreed to keep in mind all the time.

## قیمنا..

إن التزامنا بالمضي قدمًا وبناء علاقة ثقة هو مفتاح نجاحنا لذا فإن الجودة والتزام الوقت مبدأين اتفقنا على وضعهما نصب أعيننا طوال الوقت

# DIRECTOR'S MESSAGE

### كلمة المدير العام..

Sami Abu hijab's vision since its establishment has been to create a huge corporate entity that contributes to the implementation of development projects in the southern region in general and Asir region specifically, and to gain the trust of all those we work with and for them, through the implementation of our projects with the highest standards of craftsmanship, professionalism and work ethics, and

In the end, I can thank all the owners of current and future projects, including governmental and private, subcontractors, suppliers and partners, members of the Sami Abu hijab family for forming metals, and thanks are extended to all sectors of the Emirate Of Aseer Province for their continuous and effective support to all companies and projects in the region.

لقد كانت رؤية سامي أبو حجاب منذ تأسيسها هي خلق كيان اعتباري ضخم يساهم بتنفيذ مشاريع التنمية بالمنطقة الجنوبية عامة ومنطقة عسير خاصة، و نيل ثقة كل من نعمل معهم و من أجلهم و ذلك من خلال تنفيذ مشاريعنا بأعلى معايير الحرفية والمهنية وأخلاقيات العمل و عليه كانت مهمتنا الأساسية و لا تزال هي المحافظة على الجــودة في العمل لضمــان رضى وثقة عملائنا وتعزيز السمعة الحسنة لسامى أبو حجاب للمقاولات بالمملكة.

في النهاية، لا يسعني إلا أن أشكر جميع ملّاك المشاريع الحالية والمستقبلية الحكومية منها والأهلية ومقاولي الباطن و الموردين و شركاؤنا أفراد عائلة سامي أبو حجاب لتشكيل المعادن، و الشكــر موصــول لجميع قطــاعـــات أمـــارة منطقة عسير لحثهم ودعمهم المتواصل والفعال لجميع الشركات والمشاريع بالمنطقة.

#### By profession..

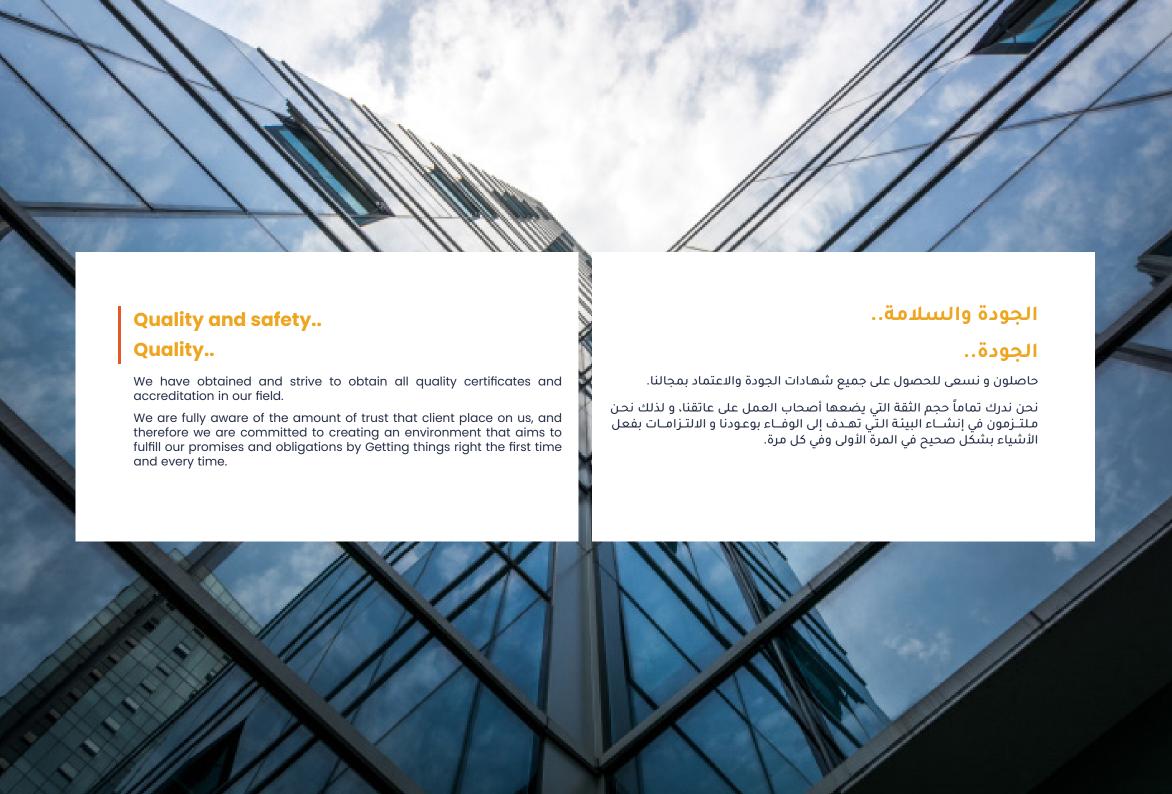

Professionalism is the main reason why clients keep entrusting us with their ambitious projects when the right people are in the right roles, beautiful things are made. The technicians and experts at smafic have many years of experience in implementing projects with all the strength and professionalism of the highest standards.

#### بالمهنية..

المهنية هي السبب الرئيسي وراء استمرار العملاء في تكليفنا بمشاريعهم الطموحة عندما يكون الأشخاص المناسبون في الأدوار الصحيحة، فإن الأشياء الجميلـة يتم تصنيعها. الفنيون و الخبراء في [سمافيك] يمتلكـون سنوات كبيرة من الخبرة في تنفيذ المشـــاريع بكل قوى و احترافية بأعلى معاير.

#### Health and safety..

.We strive to obtain all occupational safety and health certificates.

.Construction is a Dangerous business so the health of our employees is a concern that we take very seriously.

Smafic adheres to the strictest safety protocols to reduce the risk of work injuries and environmental pollution starting at the planning stage ending, Delivering the project to the client.

Thanks to God, no work injury was recorded in any of our projects.

#### الصحة و السلامة.. Health and safety..

#### الصحة و السلامة..

نسعى للحصول على جميع شهادات السلامة و الصحة المهنية.

البناء عملاً خطير، لذلك صحة موظفينا هي مصدر قلق نأخذها على محمل الجد.

بفضل الله لم تسجل أي إصابة عمل في أي من مشاريعنا.

# INTERNATIONAL QUALITY ISO..

الجودة العالمية أيزو ISO ..

Implementation of global standards gives consumers confidence that products are safe Reliable and good quality

#### Why global certifications??

- Optimum performance guarantee risk reduction
- performance monitoring
- System development
- Develop employee skills

إن تطبيق المعايير العالمية تعطي الثقة للمستهلكين في أن المنتجات آمنة وموثوقة وذات نوعية جيدة.

#### لماذا الشهادات العالمية؟؟

- ضمان الأداء الأمثل
  - تقليل المخاطر
    - مراقبة الأداء
    - تطوير النظام
- تطوير مهارات الموظفين

# Made in Saudi Arabia.. Loyalty to the national product..

They have a certificate made in Saudi Arabia, which is:

One of the initiatives of the national industry development and logistics program, which seeks to market national goods and services to become the preferred option locally and globally.

صنع في السعودية.. الولاء للمنتج الوطني..

حاصلون على شهادة صنع في السعودية وهي:

إحدى مبادرات برنامج تطوير الصناعة الوطنية والخدمات اللوجستية، والذي يسعى إلى تسويق السلع والخدمات الوطنية لتصبح الخيار المفضل محلياً وعالمياً.

الهيئة السعودية للمواصفات والمقاييس والجودة Saudi Standards, Metrology and Quality Org.

#### **PLATFORM..**

منشآت معدنية ثقيلة.. سمافيـك للإنشـاءات المعدنيـة تقـوم بتصميم وتصنيـع وتركيب جميع أنــواع المنشآت والمنصات الثقيلة والممرات وتركيب هيكل الأعمال الفولاذية الداعمة.

Smafic Metal Structures designs, manufactures and installs all types of structures, heavy platforms, walkways and erection of supporting steel structure works.

يمكن تزويـد المنصــات والممرات الفولاذيـة بمجمــوعة من الشبكــات المفتوحة الصناعية أو خيارات الأرضيات الصلية.

Steel platforms and walkways can be fitted with a range of industrial open grids or hardwood flooring options.

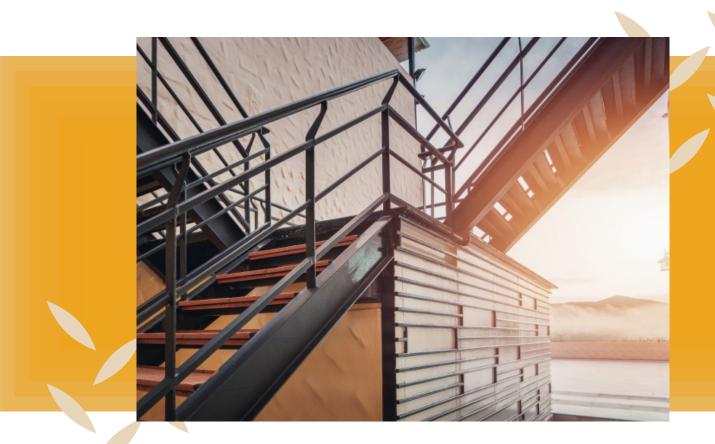

#### Mezzanine..

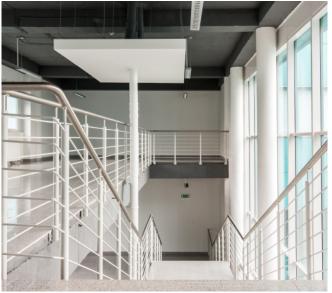

In industrial and commercial environments, the mezzanine can be installed in a raised area between the ground floor and the ceiling space, providing a solid platform that can be designed as a storage area or somewhere to accommodate other necessary operations. The design is versatile and can be changed according to business needs and is a cost-effective solution to manufacturing and storage and provides different decorating options for steel and concrete.

#### منشآت معدنية تجارية..

في البيئات الصناعية والتجارية ، يمكن تثبيت الميزانين في منطقة مرتفعة تقع بين الطابق الأرضي مساحة السقف، مما يوفر منصة صلبة يمكن تصميمها كمنطقة تخزين أو في مكان ما لاستيعاب العمليات الضرورية الأخرى.التصميم متعدد الاستخدامات ويمكن تغييره وفقاً لاحتياجـات العمـل ويعتبر الحل الفعال من حيث التكلفة للتصنيع والتخزين ويوفر خيارات تزيين مختلفة للفولاذ والخرسانة.

#### **HANAGER..**

#### الهناجر..

Smafic Metal Construction designs the hangers with the latest engineering programs, which achieve efficiency, safety and economy, as the hangars are considered a multi-use construction. The best solutions to take advantage of unused spaces properly.

سمافيك للإنشاءات المعدنية تقوم بتصميم الهناجر بأحدث البرامج الهندسية والتي تحقق الكفاءة والأمان والاقتصادية حيث تعتبر الهناجر من الإنشاءات متعددة الاستخدام وافضل الحلــول للاستفــادة من المســاحات غير مستغله بشكل صحيح.

#### Pipe rake and decorations..

Smafic Metal Construction creates pipe rack structures where modular and pre-engineered pipe racks enable quick and efficient construction of multiple types of pipe racks.

Pipe Carrier Units are pre-engineered for loads with a variety of variants and products and can be customized to your specific needs and customized to meet your needs.

#### منشئات حامل الأنابيب..

سمافيك للإنشاءات المعدنية تقوم بإنشاء هياكل أرفف الأنابيب حيث تتيح رفوف الأنابيب المعياريـة والمصممة مسبقـاً إمكانية البناء السريـع والفعـال لأنـواع متعددة من رفوف الأنابيب.

يتم تصميم وُحدات منشئات حامل الأنابيب ) مسبقًا للأحمال مع مجموعة متنوعة من المتغيرات والمنتجــات، حيث يمكن تعديلـهـــا حسب احتياجــاتك الخــاصة و تخصيصها لتلبية احتياجاتك.

سمافیك للدیكور Decorative

#### Metal facades/metal cladding..

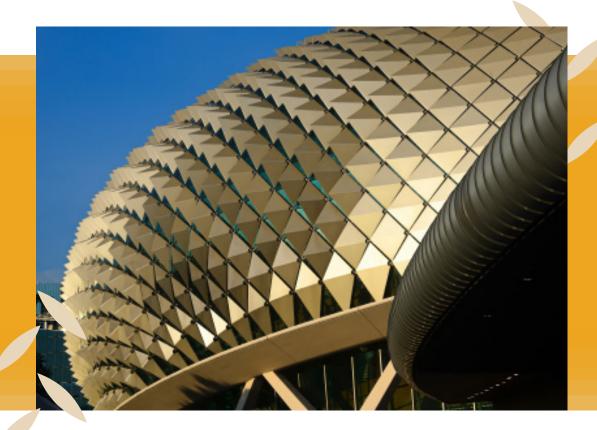

Metal facades are one of the most important areas of Smafic decorations, as metal facades are used to provide architectural projects with structural functions and aesthetic elements. Facade systems include various metals with high quality and different patterns, (Steel/Cladding) they allow to protect the external walls of your buildings well and decorate them with amazing and attractive designs.

With our extensive experience in design, engineering, fabrication services and numerous installation cases for many projects, metal facade products are continuously improved to provide outstanding manufacturing and finishing processes and ensure that your projects can receive unparalleled support and satisfactory services.

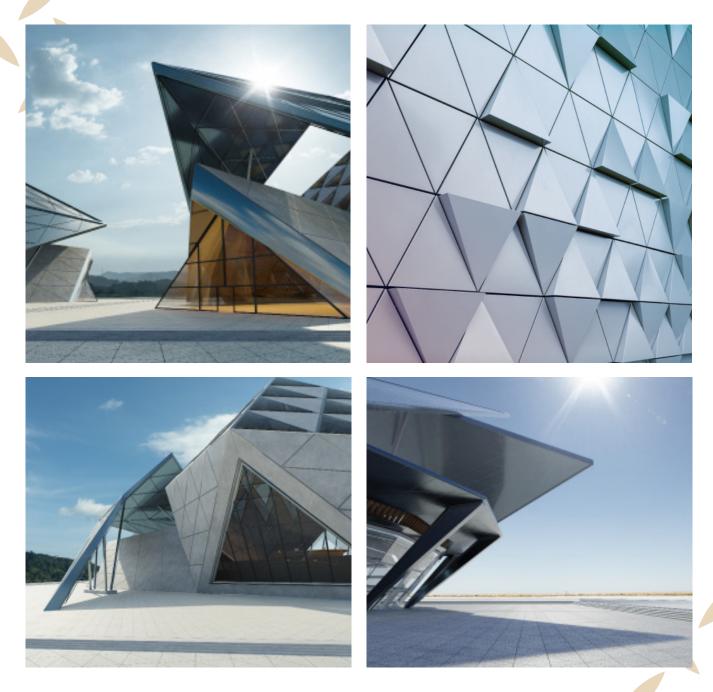

#### الواجهات المعدنية/ كسوة معدنية..

الواجهات المعدنية أحد وأهم مجالات أعمال سمافيك للديكورات حيث أن الواجهات المعدنية تستخدم لتزويد المشاريع المعمارية بوظائف هيكلية وعناصر جمالية . تشمل أنظمة الواجهات مختلف المعادن بجودة عالية وأنماط مختلفة، (الإستيل/كلادينج) فهي تتيح حماية الجدران الخارجية للمباني الخاصة بك بشكـل جيد وتزيينها بتصميمات مذهلة وجذابة.

من خلال خبرتنا الواسعة في التصميم والهندسة وخدمات التصنيع والعديد من حالات التثبيت للعديد من المشاريع، يتم تحسين منتجات الواجهات المعدنية بشكل مستمر لتوفير عمليات تصنيع وتشطيب متميزة وضمـــان أن مشـــاريعك يمكن أن تحصل على دعم لا مثيل له وخدمات مرضية.

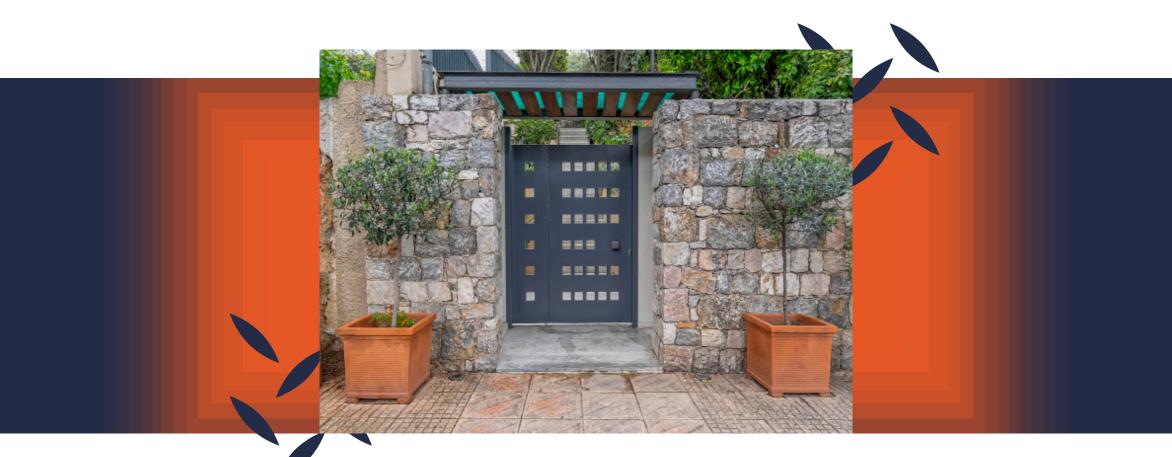

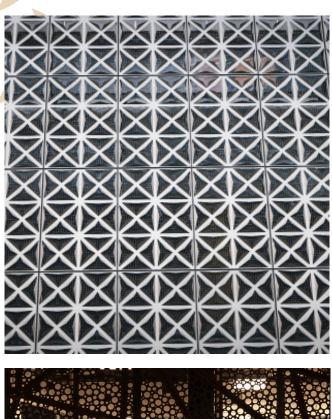

#### Doors, windows and metal decorations..

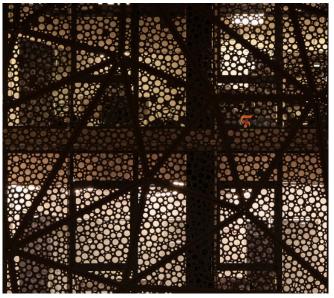

Smafic meets all technical needs and works to achieve the various ambitions of its customers. Smafic is not limited to specific designs for the client. The scope of implementing the design he deems appropriate.

#### الأبواب والشبابيك والديكورات المعدنية..

سمافيك يلبي جميع الاحتياجات الفنية ويعمل على تحقيق مختلف الطموحات لعمـلائــه ولا يقـتصـر سمـافيـك على تصاميم محـددة للعميـل مجـال في تنفيذ التصميم الذي يراه مناسب.

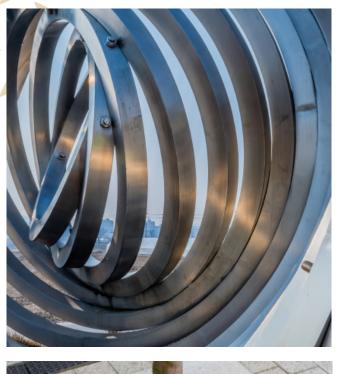

### **Urban landscape..**

Based on developments in the country and the future vision ,we are in the process of creating a modern, innovative and sustainable future for our society. We want to use our intelligence and passion to develop a future and make excellence.

## المشهد الحضري..

في ظل التطورات الي يشهدها البلد والرؤية المستقبلية للتطوير فنحن بصدد إنشاء مستقبـل حديـث ومبتكـر ومستـدام لمجتمعنــا. نريد أن نستخــدم ذكائنا وشغفنا لتطوير مستقبل وصنع التميز.

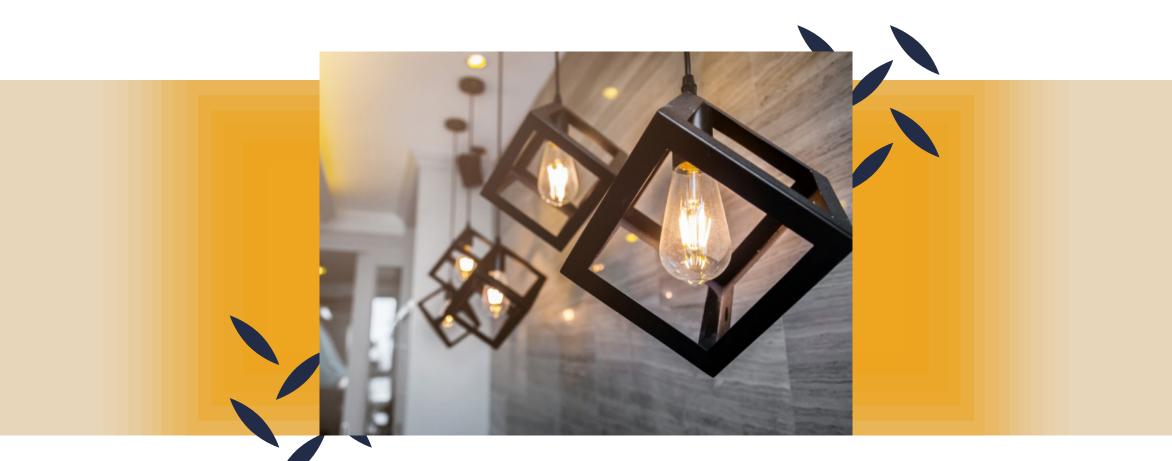

### Lighting assortment..

### تشكيلة الإضاءات..

At Smafic we care about details that reflect your unique style. Various lights in your own style with multiple design styles Classic Modern Neo Classic Bohemian. It includes (mural - hanging - columns).

في سمافيك نهتم بالتفاصيل التي تعكس اسلوبك الفريد. انارات متنوعة باسلوبك الخاص بانماط التصميم المتعددة كلاسيك مودرن نيو كلاسيك بوهيمي. وتشمل (جدارية - معلقة - أعمدة).

#### **Metal furniture..**

# الأثاث المعدني..

We are looking forward to achieving more renewable ideas and everything that is modern and modern by allowing large quantities to be ordered, and the manufacturer is not limited to specific designs ,the customer has a field in implementing the design that he deems appropriate.

في سمافيك نهتم بالتفاصيل التي تعكس اسلوبك الفريد. انارات متنوعة باسلوبك إتاحة طلب الكميات الكبيرة، ولا يقتصر المصنع على تـصـاميـم محددة، للعميل مجال في تنفيذ التصميم الذي يراه مناسب.

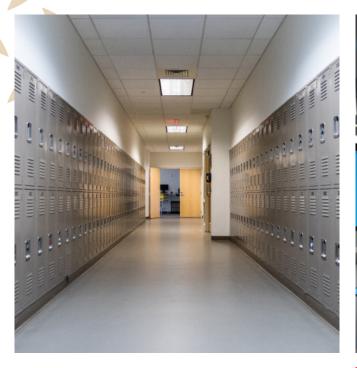

### Working bench and cabinet..

Smafic provides you with a secure workspace, a strong foundation, and exceptional support throughout your project, helping you every step of the way so you can work with ease and greater efficiency with a safe and durable workspace for all projects that is made of the highest quality materials.

#### طاولات العمل والخزانة..

سمافيك يوفر لك مساحة العمل الآمنة و أساسًا قويًا و دعمًا استثنائيًا طوال المشروع ، مما يساعدك في كل خطوة على الطريق حتى تتمكن من العمل بسهولـة وكفـَاءة أكبر من خلال مسـاحة العمل الآمنة والمتينة لجميع المشاريع والتي هي مصنوعة من مواد عالية الجودة.

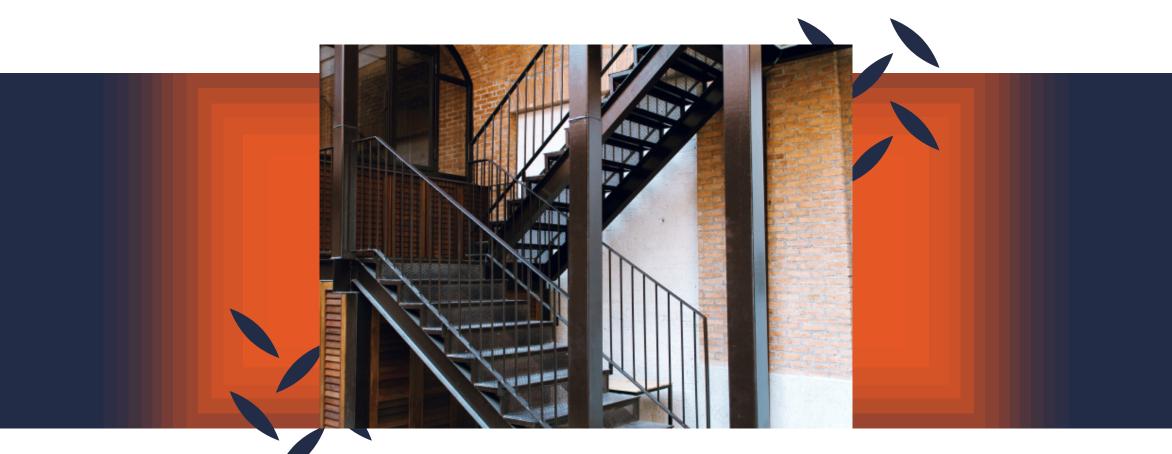

#### Metal stairs indoor and outdoor..

We offer a wide range of options for standard metal staircase designs, plus we can offer custom designs to meet individual specifications our products are manufactured to the highest standards our steel staircases are manufactured for both indoor and outdoor uses.

### السلالم المعدنية الداخلية والخارجية..

نقدم مجموعة واسعة من خيارات التصميمات القياسية لسلام المعدنية. بالإضافة إلى أنه يمكننا تقديم تصميمات مخصصة لتلبية المواصفات الفردية, يتم تصنيع منتجاتنا وفقــاً لأعلى المعــاييريتم تصنيع سلالمنا الفولاذية للاستخدامات الداخلية والخارجية.

#### **Metal shelves..**

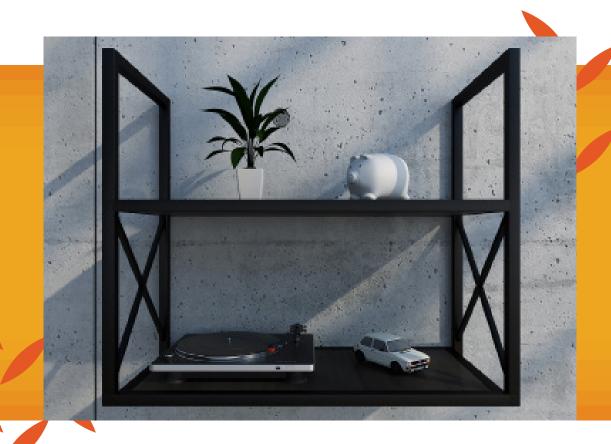

الأرفف المعدنية..

Smafic helps you stay organized and create a great workspace with The strength and versatility of metal shelving designs makes Smafic the ideal storage solution.

سمافيك تساعدك في الحفاظ على تنظيمك وإنشاء مساحة عمل رائعة من خلال قـوة وتعدد استخدامــات تصمـــاميم الأرفف المعدنية يجعــل سمــافيك هي حل التخزين المثالي.

We have a full range of models to make sure your shelves are a perfect لدينــا مجموعة كــاملة من الموديلات للتأكد من أن الرفــوف الخــاصة بك مناسبة fit for your needs.

تماماً لاحتياجاتك.

خدمات شاحنات النقل والمقطورات Truck and Trailer Services

#### Pipe rake and decorations..

Sami abu hijab factory for metal formation was approved by the saudi standards, metrology and quality organization in the manufacture of safety barriers for trucks of various types and models and includes all stages of service (installation and supply of iron, paint, installation of the reflector, issuance of the metal card issuance of the approved certificate with the distinguished number).

### خدمات تصنيع حواجز السلامة للشاحنات..

أعتمد مصنع ســامي أبو حجــاب لتشكيــل المعــادن من قبل الهيئة السعودية للمواصفات والمقاييس والجودة في تصنيع حواجز الســلامة للشاحنات بمختلف ،الأنواع والطرازات وتشمل جميع مراحل الخدمة من (تركيب وتوريد الحديد، الدهان تركيب العاكس، إصدار البطاقة المعدنية إصدار الشهادة المعتمدة بالرقم المميز

### Manufacture of transport truck boxes..

One of Smafic production lines, an independent industry, and it includes the box industry for trucks of various types and sizes, a variety of processes that start from developing unique models of heavy trucks to manufacturing in their final form.

They are ideal for moving larger shipments, and the interior has many anchor points to keep goods safe during transit. As the most common commercial vehicle for transporting goods, box trucks are widely used in many industries.

### تصنيع صناديق شاحنات النقل..

أحد خطــوط سمـافيك للانتـاج، صنـاعة مستقلــة و تشمــل الصنــاعة الصندوقية للشــاحنــات بمختلف الأنواع والمقــاسات وهي عمليات متنوعة تبدأ من تطـــوير النماذج الفريدة للشاحنات الثقيلة وحتى التصنيع في شكلها النهائي. إنها مثالية لنقل شحنات أكبر، ويحتوي الداخل على العديد من نقاط الربط للحفاظ على أمان البضائع أثناء النقل. باعتبارها أكثر المركبات التجارية شيوعًا في نقل البضــائع، تُستخدم الشـــاحنات الصندوقيـة علـى نطـــاق واســع في العــديــد من الصناعات.

# Manufacture of refrigerators for transport trucks..

Smafic refrigerated boxes are manufactured according to the modular board assembly structure of the refrigerated truck which fulfills all requirements to keep the goods safe during transportation.

### تصنيع ثلاجات التبريد لشاحنات النقل..

أحد خطــوط سمـافيك للانتـاج، صنـاعة مستقلــة و تشمــل الصنــاعة الصندوقية صناديق التبريد في سمافيك يتم تصنيعها وفقاً لهيكل التجميع للوحة النموذجية الخـاصة بشاحنة التبريد والتي تسوفي جميع المتطلبــات بهــا للحفــاظ على أمان البضائع أثناء النقل.

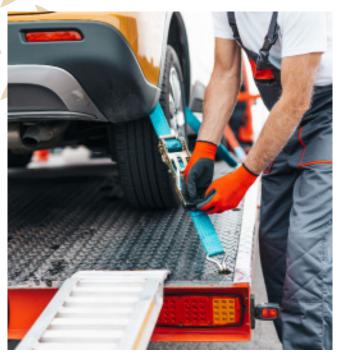

### Manufacture of regular truck surfaces..

## تصنيع سطحات الشاحنات العادية..

Smafic offers the service of supplying and manufacturing the regular surfaces for trucks according to international engineering standards with technical cadres.

سمافيك يقدم خدمة تجهيزوصناعة السطحات العادية للشاحنات وفقا لمعايير هندسية عالمية بكوادر فنية.

### **Box cutting services..**

One of the specialized services provided by Smavik to owners and owners of box trucks, the process of cutting and adjusting the size of the box in case the size exceeds its standard limit, which causes a negative impact on the owner of the truck.

#### الصندوق عملية قـص وتعديل مقــاس الصنـدوق في حــال تجــاوز المقـاس للحد المعياري الخاص فيه مما يتسبب بأثر سلبي على مالك الشاحنة.

أحد الخدمات المتخصصة والمقدمة من سمافيك لأصحاب وملاك شاحنات

### **Box cutting services..**

Smafic maintenance services are:

- \* Repair of shocks in the boxes of trucks and trailers.
- \* Transferring cooler boxes and regular boxes from one car to another.
- \* Re-installation and installation of the boxes.

### خدمات الصيانة للشاحنات..

تتمثل خدمات الصيانة الخاصة بسمافيك في:

خدمات قص الصنادىق..

- \* إصلاح الصدمات في صناديق الشاحنات والممقطورات.
- \* نقل صناديق التبريد والصناديق العادية من سيارة الى أخرى.
  - \* وإعادة التثبيت والتركيب للصناديق.

للخدمات المتخصصة for specialized services

### **Powder Coating..**

At smafic we understand that you need flexibility, speed and quality. That's why with powder coating applications you will benefit from a range of different powder products, thousands of powder colors and effects, matched quickly and in quantities that suit you, and what you promise becomes essential to use as they are considered to have a long service life, heat resistant, provide general safety.

### رش الدهان الحراري..

في سمافيك ندرك أنك بحاجة إلى المرونة والسرعة والجودة. لهذا السبب مع ستستفيد من مجموعة منتجات البودرة المختلفة Powder Coating Applicators ،وآلاف من ألوان البودرة والتأثيرات، والقدرة على مطابقة اللون بسرعة وبكميات تناسبك، ولما يتميزبه أصبح ضروري الاستخدام حيث يعتبر ذات خدمة طويلة في الحياة، مقاوم للحرارة، يوفر السلامة للبيئة.

#### Laser metal cutting..

smafic aims to provide high-quality products with first-class service and support to help prepare a successful future with customers to work towards achieving goals. Fiber laser is a newer technology in the world of laser cutting. On an industrial scale, there are significant benefits to fiber laser metal cutting technologies as the laser helps eliminate impact stress that can adversely affect sheet metal products during cutting.

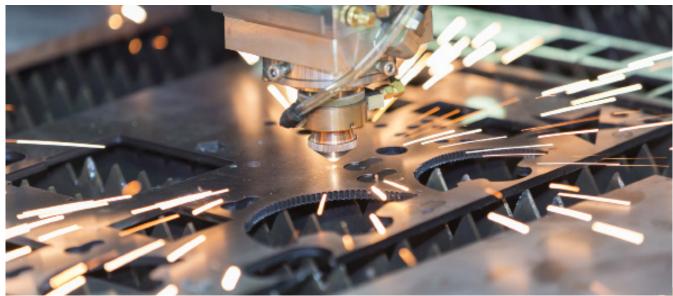

### قص المعادن بالليزر..

تهدف سمافيك إلى توفير منتجات عالية الجودة مع خدمة ودعم من الدرجة الأولى للمساعدة في إعداد مستقبل ناجح مع العملاء للعمل من أجل تحقيق الاهداف و تعد ليزر الألياف تقنية أحدث في عالم القطع بالليزر. على المستوى الصناعي و هناك فوائد كبيرة لتقنيات قطع المعادن بألياف الليزر حيث يساعد الليزر في القضاء على إجهاد التأثير الذي يمكن أن يؤثر سلبًا على منتجات الصفائح المعدنية أثناء القطع.

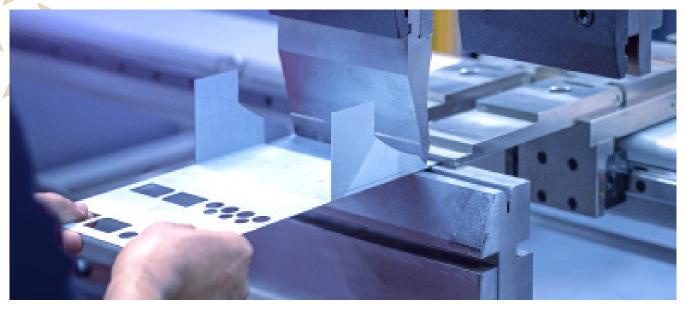

#### **Sheet Cut and bend CNC..**

We offer a wide range of options for standard metal staircase designs, plus we can offer custom designs to meet individual specifications our products are manufactured to the highest standards our steel staircases are manufactured for both indoor and outdoor uses.

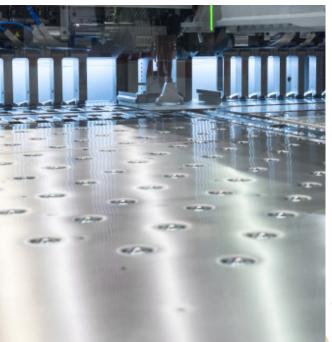

### قص وثني الصاج CNC ..

تثبـت سنـوات خبرة سمـافيك العديدة في تقطيـع الصفـائح المعدنيـة أننا نقدم خدمة عالية الجودة ضمن الحدود الزمنية المتفق عليه حيث يتم قطع الصفائح المعدنية على آلات مختبرة، يمكننا ضمان جودة القطع مع التفاوتات المناسب ,نقوم أيضاً بعمل ثني الصفائح المعـدنية بآلات حديثة مدعومـة بتوجيـه حـاسـوبي يمكننا إنتاج عناصر من أكثر الأشكال تطلبًا

# An automated factory project for the manufacture of paints..

The first automated factory of its kind for the manufacture of paints in the Middle East in cooperation with Sami contracting, where the main role of Smafic was the manufacture of metal installations for machines and metal installations for migrating production links.

### مشروع مصنع آلي لصناعة الدهانات..

أول مصنع آلي من نوعه لصناعة الدهنات في الشرق الأوسط بالتعاون مع سامي للمـقــاولات وحيث كــان الدور الرئيسي لسمافيـك تصنيـع المنشـــآت المعدنية للمكائن ومنشآت معدنية لهناجر صلات الإنتاج.

# Commercial metal structure project and storage shelves..

In partnership with Sami concrete works contracting, Smafic was a contributor to the metal origin industry, installing a loading platform and also a metal originator for a robotic arm for loading finished products (robot)

## مشروع منشآ معدني تجاري وأرفف التخزين..

بالمشاركة مع سامي للمقاولات بالأعمال الخرسانية كان سمافيك مساهم في صناعة المنشأ المعدني وتركيب منصة للتحميل وأيضاً منشا معدني لـذراع آلي لتحميل المنتجات الجاهزة (روبوت)

### **Landscape Products..**

Based on developments in the country and the future vision ,we are in the process of creating a modern, innovative and sustainable future for our society. We want to use our intelligence and passion to develop a future and make excellence.

The most prominent works in the development of the landscape

#### **Decorative facades..**

In cooperation with the municipality of tathleeth governorate, decorative facades were manufactured in the governorate aimed at developing the landscape and creating a pleasant view for visitors hiding visual distortions.

### منتجات المشهد الحضري..

في ظل التطورات الي يشهدها البلد والرؤية المستقبلية للتطوير فنحن بصدد إنشاء مستقبــل حديـث ومبتكــر ومستـدام لمجتمعنــا. نريد أن نستخــدم ذكائنا وشغفنا لتطوير مستقبل وصنع التميز.

أبرز الاعمال في تطوير المشهد الحضري

### الواجهات الديكورية..

بالتعاون مع بلدية محافظة تثليث تم تصنيع واجهات ديكوريه بالمحافظة تهدف إلى تطوير المشهـد الحضـري وخلــق وجهة نظــر ممتعة الـــزوار إخفاء التشوهات البصرية..

### Road signage boards..

### اللوحات الإرشادية للطرق..

illuminated signs.

In cooperation with the municipality of tathleth governorate, the بالتعاون مع بلدية محــافظة تثليث تم استبدل لواحات الطرق الإرشادية التقليدية . بلوحات ذات طابع انيق ومضيئ.

### all kinds of lightings..

Manufacturing types of lightings include (mural-hanging-columns)

تصنيع أنواع الإنارات وتشمل (جدارية - معلقة - أعمدة)

### **Highlights of lighting works..**

Decorative lightings for the management of industrial cities

The decorative lighting works were created in the pedestrian corridors of the Department of industrial cities, which by its elegant nature was a pleasant and comfortable addition for visitors and visitors.

### أبرز الأعمال للإنارات..

الإنارات بأنواعها..

الإنارات الديكورية لإدارة مدن الصناعية تم الإنشــاء بممرات المشــاة بإدارة مدن الصناعية أعمــال الإنارة الديكورية والذي كانت بطابعها الأنيق إضافة ممتعه و مريحة لمرتادي المكان والزوار.

System.

- Evaluate effectiveness of training through internal audits, customer feedback and performance evaluations.
- Ensure employees are aware of how their work activities contribute to the

achievement of quality.

• Establish a process for individual staff to develop personal annual goals.

Conduct individual staff performance reviews.

#### FINANCIAL MANAGEMENT

- Monthly financial reporting.
- Manage all projects based on established budgets.
- Consider cash flow implications in all transactions.
- Maintain profitability on an annual basis.

#### **ASSET MANAGEMENT**

- Take a long term approach to asset acquisition and management.
- Own and operate an equipment fleet to satisfy corporate goals.

- Operate and service equipment to maximize lifespan.
- Prioritize the utilization of internal equipment.
- Provide and maintain adequate equipment to meet the project needs.
- Establish a system for tracking, maintaining, storing and delivering small tools and inventory.

7

# QUALITY POLICY CONTROLLED DOCUMENT QUALITY COMMITMENTS OF SGC CONSTRUCTION

#### PROJECT MANAGEMENT

- Develop and maintain a system to manage construction projects consistently and effectively.
- Manage projects to meet financial and corporate goals.
- Complete construction projects on schedule and on budget.
- Prepare project-specific Quality Control Plans.
- Complete documentation required to verify that customer and Quality

Management System requirements are being met.

- Provide projects with adequate resources.
- Evaluate suppliers' and subcontractors' ability to meet project and Quality

Management System requirements.

• Ensure that materials are approved, received, preserved, and installed as

required.

• Ensure nonconforming products and materials are identified, documented,

secured and clearly identified to prevent unintended use.

• Establish a process to manage changes to the project.

#### **PROCUREMENT**

- Make procurement decisions based on the Quality Management System.
- Develop and maintain a Procurement Control program.
- Establish a system to ensure the proper labeling, packaging, handling,

Storage and delivery of materials.

• Maintain a mutually beneficial relationship with selected suppliers and subcontractors.

#### **DOCUMENTS AND RECORDS**

• Develop and maintain a control system for the Quality Policy Document,

Procedures Manual, Work Methods, Operational Policies, Forms, Reference

Standards, Specifications and Contract Documents.

- Ensure that Records and other Audit Evidence are maintained in an organized manner, stored in a suitable environment and disposed of in accordance with documented procedures.
- Ensure that all confidential documents and records are maintained according to Privacy Legislation.

8

# QUALITY POLICY CONTROLLED DOCUMENT QUALITY COMMITMENTS OF SGC CONSTRUCTION

#### PROCESS VERIFICATION

• Ensure that the defined contract requirements have been identified and

Adequately addressed during the work and that they have been fully

Reviewed prior to project completion. • Establish decision points in all process flowcharts to verify that

Requirements are being met. • Manage process verification through the use of controlled documents. • Calibrate all measuring, inspection and testing equipment utilized to verify

The accuracy of the results.

#### **SYSTEM VERIFICATION**

- Conduct internal audits of the Quality Management System to ensure continued conformance to the requirements.
- Conduct Management Review Meetings to evaluate the results of internal

audits and ensure continued effectiveness of the Quality Management System.

#### **CONTINUAL IMPROVEMENT**

- Continually seek ways to improve processes.
- Review results identified through internal audits, statistical analysis, personal observations and customer interviews.
- Identify any areas of concern.
- Initiate corrective actions.
- Develop preventive actions to improve quality.

9

# QUALITY POLICY CONTROLLED DOCUMENT QUALITY MANAGEMENT SYSTEM OF SGC CONSTRUCTION

#### **QUALITY MANAGEMENT SYSTEM**

The Quality Management System (QMS) of SMAFIC has been organized to support and satisfy the requirements of ISO 9001:2015 as shown on the following figure

The **Quality Policy Document** describes SMAFIC commitment towards quality, customer satisfaction and continual improvement

The **Procedures Manual** describes the processes necessary to satisfy the commitments laid out in the Quality Policy Document.

QM Plans, Work Methods, Operational Policies and Forms add details of specific tasks within the Procedures Manual and are utilized to ensure satisfactory and consistent work performance.

10

# QUALITY POLICY CONTROLLED DOCUMENT ENVIRONMENTAL POLICY

#### **STATEMENT**

SMAFIC Metal Fabrication recognizes that the construction industry car have a significant impact on the environment. SMAFIC is committed to conducting its activities in an environmentally responsible manner. SMAFIC's goal is to meet environmental protection standards expected by the community at large and by government, and to strive to exceed :those standards. To accomplish this, SMAFIC will

• Develop and maintain a corporate culture of environmental stewardship;

- Develop and maintain an Environmental Management program;
- Conduct Environmental Risk Assessments and prepare project-specific environmental control plans as required
- Commit to training and educating our staff and promote a culture of minimizing our environmental impact
- Meet environmental requirements defined by legislation, regulation, government directives, standards, Best Practices and other applicable environ

mental standards.

Ensure that planning and operational decision making at SMAFIC gives great consideration to how our actions impact the environment and how we can

manage and actively mitigate environmental impacts.

• Integrate environmental protection into our business by planning activities

to avoid or mitigate adverse environmental impacts.

• Ensure that subcontractors and their employees understand and adhere to

;SMAFIC's environmental policy and procedures

• Conserve resource use by efficient use of energy, by reduction of emissions and discharges, by eliminating unnecessary waste and by recycling where practical.

Ensurethat response to any environmental incidents associated with • SMAFIC operations is swift and effective

• Work towards continual improvement of our environmental performance and environmental management systems.

This policy applies to all SMAFIC operations and on all SMAFIC worksites

#### 11

# QUALITY POLICY CONTROLLED DOCUMENT OCCUPATIONAL HEALTH AND SAFETY

#### POLICY STATEMENT

SMAFIC For Metal Fabrication is committed to providing a safe and healthy workplace with safety as a primary consideration in all we do. We value our employees, clients and the environment and we do not view any level of loss as an acceptable consequence of conducting our business. SMAFIC recognizes the right of workers to work in a safe environment

To achieve our goal of becoming an industry leader in safety performance, SMAFIC invests in our employees to ensure that they have the best resources for safe and healthful working conditions as well as safe work rules, practices and job procedures based upon experience, safety training and competent supervision. SMAFIC is committed to creating and maintaining a corporate safety culture that expects all levels of employees to refuse unsafe work; to actively participate in safety meetings and site inspections; and to report near miss incidents, injuries, equipment and property losses and environmental incidents when they occur. Everyone at SMAFIC has the responsibility to prevent accidents, injuries and equipment loss by observing established safety procedures, following the directions of supervisors and reporting unsafe and/or unhealthy conditions. As a company, we are committed to conducting Hazard Identification & Risk Assessments, preparing and implementing supplementary projectspecific Health and Safety Plans as required and providing safety training. SMAFIC is committed to the implementation of the health and safety program in a spirit of cooperation and consultation. Where a worker has been injured, all efforts will be made to assist the worker to stay at work, with modified duties as required; and if the

injury results in a lost time WorkSafeBC claim, SGC will work with the individual, his or her healthcare practitioner and WorkSafeBC to facilitate an early return to work through the SGC Stay at Work I Return to Work Program (SAW/RTW). As we work together to achieve superior standards through the implementation of the SGC Occupational Health and Safety Management System, we will ensure our principle of "Building to Last" endures for future generations.

#### QHSEPolicy Statement

The core activity of Smafic metal forming and metallurgical industries factory (SMAFIC) consists in the realization of major projects through the mobilization of its entire capacities and know-how.

Moreover, SMAFIC is fully aware of its economic and industrial activities on the living and working environment of the population.

SMAFIC 's policy aims therefore, are satisfying:

- Its customers- by respecting their requirements at the best price and terms of conditions.
- The community by respecting and protecting the environment and by paying attention to the health and safety of third parties.
- Its stakeholders- by improving its economic performance, by implementing risk prevention and risk
  management and by installing internal control mechanisms.
- Its employees- by working towards their professional and social development, by implementing an
  outstanding quality, health, safety and environmental policy liable to maximally prevent and limit
  accidents and by constantly improving their wellbeing at work.

The IMS applies to all SMAFIC activities, for the realization of Metallic projects in Saudi Arabia and in all multi-site construction operations areas.

Top management are committed to:

- Support the company's strategic direction and provides a framework for setting and reviewing the QHSE objectives as well as commitment to continual improvement of the integrated management system
- · Comply with the legal and regulatory requirements applicable to the projects that SMAFIC completes.
- Comply with the contractual and technical requirements applicable to the projects that SMAFIC realizes.
- Comply with the requirements of ISO 9001:2015, ISO 14001:2015 and ISO 45001:2018 standards.
- Organize, beyond these requirements, all SMAFIC processes in compliance with ethics professional technology and corporate social responsibility.
- · Participation and consultation of workers regarding all HSE issues.
- Develop an ongoing improvement process backed up by internal audits, management reviews and a system of performance indicators.
- Enhance awareness among its employees through information and trainings about its policy, its
  objectives and the resulting target
- Make the SMAFIC policy and its commitments available to interested parties and the public.
- The protection of the individuals by doing everything possible to prevent risks and avoid physical injuries.
- The protection of the environment by avoiding possible impacts associated with the activities, by adhering to the sustainable development principles and by paying attention to safeguarding the natural resources.

#### تأكيد العضوية في برنامج صنع في السعودية

السادة/ مصنع سامي ابو حجاب لتشكيل المعادن والصناعات المعدنية السلام عليكم ورحمة الله وبركاته. وبعد،

نرحب بكم أعضاء في برنامج "صنع في السعودية" ويسعدنا انضمامكم للبرنامج ومساهمتكم في تحقيق أهدافه الرامية إلى تعزيز الثقة بالمنتج الوطني وتفعيل دوره في تنمية الناتج المحلي السعودي غير النفطي، مما يساهم في جعل المملكة قوة صناعية رائدة وفقًا لأهداف رؤية السعودية 2030.

يعد هذا الخطاب بمثابة تأكيد على أن شركتكم الموقّرة والمنتجات المسجلة والمُوافق عليها تستوفي المعايير المطلوبة للانضمام لبرنامج صنع في السعودية، على أن يمتثل جميع الأعضاء امتثانًا كاملًا لقواعد البرنامج طوال فترة صلاحية العضوية، واعتباراً من تاريخ هذا الخطاب، يحق لشركتكم استخدام علامة "صناعة سعودية" على المنتجات المسجلة والمعتمدة، والاستفادة من مزايا العضوية.

وبناءً عليه. نأمل منكم تعريف جميع الموظفين المعنيين بتطبيق العلامة الصناعية بقواعد البرنامج وإرشادات استخدامها على المنتجات والمواد الترويجية الخاصة بالشركة.

> وفي حال وجود أي استفسارات أو متطلبات، يسعدنا خدمتكم بتواصلكم معنا عبر البريد الإلكتروني members@saudimade.sa:

#### SUBJECT: QUALIFICATION

#### Dear Sir,

Based on our assessment, we are pleased to inform that M/s SMAFIC Metal Fabrication is now qualified vendor of Alfanar Projects for Steel fabrication works.

Qualification means that M/s SMAFIC Metal Fabrication is eligible to receive requests for quotations and orders for the designated service, but this approval should not be considered as a commitment by Alfanar Projects to send Request for Quotation or procure service from M/s SMAFIC Metal Fabrication.

Thanks for your interest in being a supplier to Alfanar Projects.

Best Regards,

15112023

TAREQ DASSAN

General Manager, Supply Chain

#### **CNC HVS 3 Cutting Machines**

Well equipped for precision cuttings (± 0.05 cutting precision)

- Fast data input
- Easy connection USB port
- Ethernet Rj-45 10/100M
- Easy programming
